ANOTHER INDIAN  
RIDER ON DECK  
FOR FAIR RACES

The Indian forces still keep rolling into Phoenix. In fact it begins to look as if the red forces, were here to cup off every prize offered by the fair management. Every time the average citizen has turned around the past few days, it has been necessary to step over an Indian rider. First came Don Jones, who announced that he was going to clean up on the track events, and now comes Ray Arty, of Los Angeles, who announces that he is going to win the Springfield-Phoenix road race on his Indian.

Arty is one of the best known of the road racing Indian factory riders. He holds the record between Los Angeles and San Francisco, having made the distance in ten hours and four minutes, or in about four hours less than the train make it.

He will leave this morning for Flagstaff to take a look at the road. He will not have time to go through to Springfield, but will turn back, making it a two days' trip.

Baker is expected here Sunday, and has wired to have a machine ready for him to start out on Monday for the trip north. Arty will probably make that trip with him. Their factory machines have been shipped from Springfield, Mass., and will be here a few days before the race starts. Both will ride 1917 Powerplus Indians.

KING OF RACE HORSE  
DRIVERS, W. G. DUFFEE  
TO ARRIVE SATURDAY

W. G. Duffee, who is acknowledged one of the best drivers of race horses in the entire country and one of the three biggest money winners last season, will arrive in Phoenix Saturday according to a telegram received yesterday afternoon by State Fair Secretary Thomas Shoughnessy.

Driver Duffee has already entered a number of his fast performers in the state fair meet. Among the horses in his stable, which has already arrived, are: Esperanza, Virginia Barnette, The Lark, Rayo de Oro, and White Sox, who is entered in the big free-for-all.

Mr. Duffee telegraphed yesterday from Albuquerque, N. M. He is making the trip overland from the middle west in his auto. According to the wire the journey is an exceptionally hard one and he is fatigued that he

COYOTES REPEAT  
AGAIN BEAT THE  
INDIAN SHOOTERS

The Coyotes took the Redskins into camp for the second time to date. The Indians were 34 to 25. The entire game was life and death, the referee allowing the players to fight it out to a finish. When the whistle ended the first half, the score was 20 to 19 in favor of the Indians. Coach Carpenter allowed the second team during the first half and ran the first team in at the end.

The Indian school band made the most of the occasion, playing lively selections and filling the players with vim and pep. Last night's game may be considered the fastest game ever staged at the armory.

Carpenter and Captain Wright played a sensational game while Putney, Young and Soule deserve mention. Thayer did not shine in the basket throwing but when it came to playing a steady defensive game he started. Black, Welch and Cleveland started for the Redskins.

Three hundred people witnessed the defeat of the Indians.

The throng was in a continual uproar during the game, one minute an Indian would be laid out across the floor and then a member of the crimson and the black squad would hit the dirt. Referee Davis was very generous in letting both teams fight it out.

At the opening both teams were over anxious for victory and were wild and poor in the judgment of distances.

**First Quarter.** Jewett and Welch owned the centers, fast playing and excellent team work landed the ball in the basket for P. H. S. by the dead arm of Toward. Jewett in short time followed Toward with another basket. Indians then forced and Gerwig, the same shot but added another point.

High school double fouled in section and Cleveland shot two points with exceptional accuracy. Jewett came back strong with a long field goal and Gerwig after a gallant fight made a sensational throw which took the heart out of the big boys. This was the interesting part of the game.

The grandstand was in its seat's throes. "Black, Welch and Gerwig" they cried the best of when he shot the ball in the basket.

Both teams then began to wonder and the game was a little slower but the Indians took possession and put a two point in their own end. This was a back strong outlaying the Coyotes in every sense and form.

Black, Welch and Gerwig were the mainstays in every sense and form. This stage of the game was a back strong outlaying the Coyotes in every sense and form. The Indians fouled

PHOENIX HIGH GRIDDEERS WILL  
PLAY UNIVERSITY SCRUBS ON  
FAIR GROUNDS SATURDAY P. M.

## Football Game.

Coyotes vs. University of Arizona. Place—State fair grounds. Time—3 o'clock Saturday afternoon. The high school and the second team of the university will meet on the grid field for the first time in the school history next Saturday. The scheduling of this game was a big surprise to all. Athletic Director Osborne received a telegram from Coach McCale asking for an open date. Mr. Osborne was glad to arrange the game and this is the reason for the last minute arrangements.

Many of the former Kiote stars will be in the game. A Principal Cook claims that the young Coyotes will play the bigger ones.

This will be the first time that P. H. S. has played against any college or university. Nevertheless, they have the sand and would play Harvard if invited.

Coach Geary has allowed the basketball boys, long rest since the northern trip. Yesterday he received two-fold for what he gave, taking out the remaining dust which still clung to the moccasins since their return from the highlands.

The report was circulated that the team was badly smashed up in Winslow. This is untrue and has caused complaints that football is too rough.

Things looked cloudy at this part of the game. Gerwig ended the first half and the score was 20-19 in favor of the Indians.

**Second Half.** The second half opened with the same centers and a slight change in the line up. The Red Skins came back vigorously, trying to play the youngsters off their feet. Black, Welch and Gerwig were playing slow and could not break up the desert kings' formation.

Then both teams became wild for victory and the ball was zig zagging to and fro, sometimes flying up in the rafters and again in the audience. High school soon calmed down and played a steady game.

Soule and Gerwig did excellent team work. Captain Wright then entered the game and his appearance hoodooed the Indians. From then on the team began to show their old class. Football was started again on both sides.

Indians and coyotes were sprawled out on the floor time and again.

The Wright gang finally took the lead and played a game that was too deep for the Hiawathas to grasp. A double foul took place. Indians were caught rushing and Young landed the ball between the little women net as the whistle ended the game with a second victory over the Indians.

**The Line Up.** Jewett-Young, Cleveland, Gerwig-Putney, Toward, Colver-Thayer, L. Webb, North-Soule, Gerwig-Wright, Xevier, Tranklin, Referee-Davis, Time-McQueen, Scorekeeper-McCoy.

COMPLEXION OF  
B. B. COMMISSION  
MAY BE CHANGED

[Republican A. P. Leased Wire] CHICAGO, Nov. 1.—President Big B. Johnson of the American League in a statement tonight admitted that there "probably will be a change in the complexion of the national baseball commission."

The statement was issued after two afternoon newspapers had quoted Mr. Johnson as saying that August Herrmann, chairman of the commission, would be removed. Immediate denial of the statement was made. President Johnson, however, said that certain club owners of the American League are opposed to "too much National League in the composition of the national commission."

Mr. Herrmann is president of the Cincinnati club of the National League and has been chairman of the national commission since the formation of the body under the agreement of the National and American Leagues. He was in conference with President Johnson here last week regarding questions involving the commission.

The commission is made up of Johnson, Herrmann and John K. Tener, president of the National League.

**ALL HOPES GONE** [Republican A. P. Leased Wire] COLUMBIA, Mo., Nov. 1.—Hopes of the University of Missouri for victory over the University of Texas football team next Saturday received a blow today when it was announced that Murr, a tackle and the team's place-kicker, had been taken to the University hospital for an operation. His knee was injured yesterday in scrimmage and today a blood clot was discovered. Murr will be out of the game at least for two weeks, Coach Schultz said.

Hughes or  
Wilson . . . ?

Some argument, of course. Fortunately it's easier for the millions of well-dressed men to select their clothes, and so
